On August 30, 1989, the Commission authorized an assignment of the lease to Fred and Emily Bradburn, dba Grimes Boat Landing. That lease expired on December 31, 2009. The marina was sold in 2007 and an application was submitted by the new owner. However, the application was never complete and staff did not bring the application forward for Commission action. On February 11, 2015, the marina was sold to the Applicant, who is now applying for a General Lease – Commercial Use.
